MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Funding and Approval Authority

1. References:

- a. Memorandum, AFPI-ENO, 7 Dec 98, SAB.
- b. AR 420-10, Management of Installation Directorates of Engineering and Housing, 15 Apr 97.

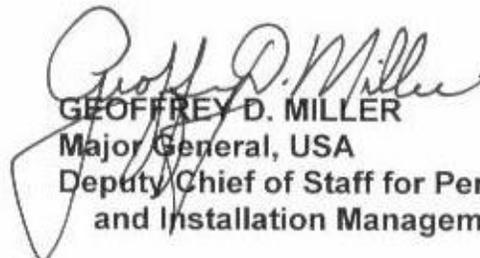

2. The purpose of this memorandum is to provide installation commanders an updated, consolidated listing of Engineer funding and approval limitations. The enclosed table provides the different levels of approval authority and supersedes reference 1a.

3. Installation commanders are authorized to delegate their approval authority to their staff as necessary, except as otherwise noted. Installations must document Life, Health and Safety (LHS) deficiencies and verbally discuss with FORSCOM prior to approving minor construction projects using Operation and Maintenance, Army (OMA) funds (L account).

4. All appropriated funded and non-appropriated funded projects requiring approval by higher headquarters will be forwarded to FORSCOM, ATTN: AFEN-ENO. For non-appropriated funded (NAF) projects, also provide a copy to this headquarters, ATTN: AFPI-MWS. For more information, contact Muthu Kumat at this headquarters, AFEN-ENO, DSN 367-5311 or COMM 404-464-5311, E-mail address: kumarm@forscom.army.mil, or FAX: DSN 367-7751/7697.
