The Judge Advocate General's Corps Leadership, Mission, and Vision

Clicking on the JAG Leadership link will open a separate window where you can read brief biographies of The Judge Advocate General, The Assistant Judge Advocate General, Warrant Officer of the JAG Corps, and Sergeant Major of the JAG Corps. The Leadership Page provides registered users a "leadership wall" example and the ability to download photos in an 8x10 format suitable for reproduction. The JAG Corps Mission and Vision are also viewable by clicking on the appropriate link.

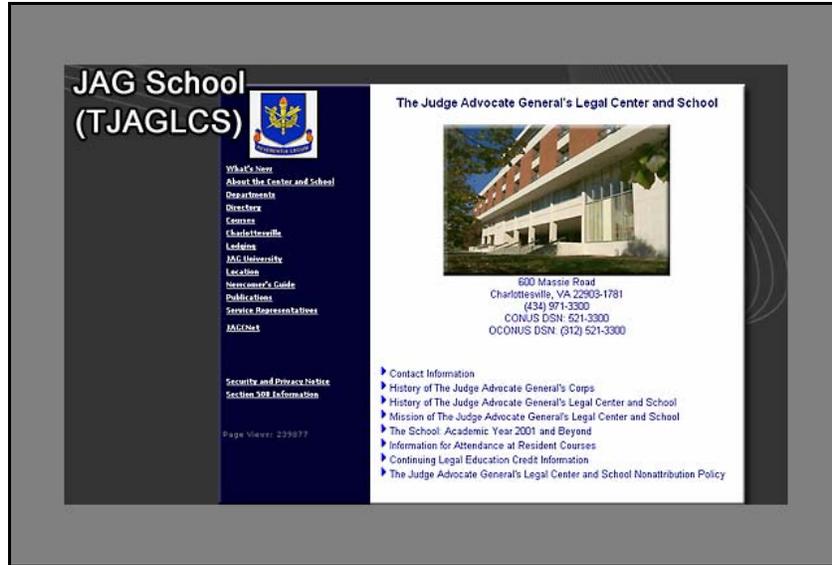

Join JAG (Recruiting)

Clicking this link will open a new window for the Judge Advocate Recruiting Office (JARO) website. The JARO website offers information about opportunities to serve with The Judge Advocate General's (JAG) Corps in any of the following capacities: Active Duty, Reserve, or National Guard JAG attorney; Civilian Attorney; the Funded Legal Education Program (FLEP); and the Summer Intern Program. You will also find application forms, publications, resources, frequently asked questions, and feedback from Judge Advocates and Summer Interns. The JARO homepage is readily available by clicking on the link listed under Frequently Used Areas.

The Judge Advocate General's Legal Center and School (TJAGLCS)

Click this link to open the homepage of The Judge Advocate General's Legal Center and School (TJAGLCS) in Charlottesville, VA. The TJAGLCS website offers extensive information about the Legal Center and School such as TJAGLCS departments and their functions, TJAGLCS resident and non-resident courses, and TJAGLCS publications. The TJAGLCS homepage is readily available by clicking on the link listed under Frequently Used Areas.

Client Services and Links

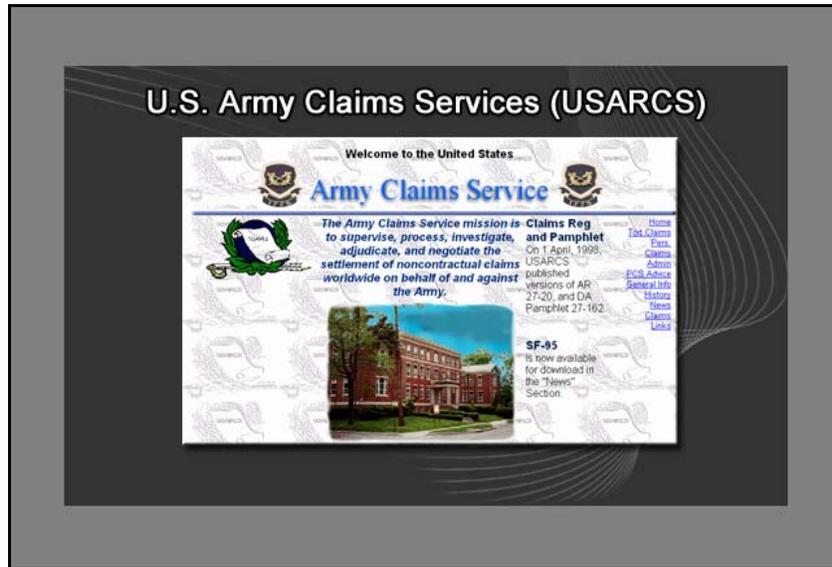

Legal Assistance

This link will open the Army Legal Assistance website, a military legal information portal to inform military members on personal legal affairs and preventive law. There is extensive preventive law information on subjects such as wills, powers of attorney, real estate, and insurance. There is also a listing of legal assistance offices worldwide.

U.S. Army Claims Service (USARCS)

This link will open the USARCS website. USARCS is the office that supervises, processes, investigates, adjudicates, and negotiates the settlement of noncontractual claims worldwide on behalf of and against the Army. Here you can find useful information about the claims process and a listing of claims offices worldwide.

U.S. Army Trial Defense Service (USATDS)

This link will open the USATDS website. TDS represents soldiers charged with military criminal offenses at trial, during criminal investigations, and before elimination or grade reduction boards. TDS also counsels soldiers regarding pretrial restraint, nonjudicial punishment, and various adverse administrative actions taken pursuant to military regulations. The USATDS website also contains a listing of TDS offices worldwide.

Center for Law and Military Operations (CLAMO)

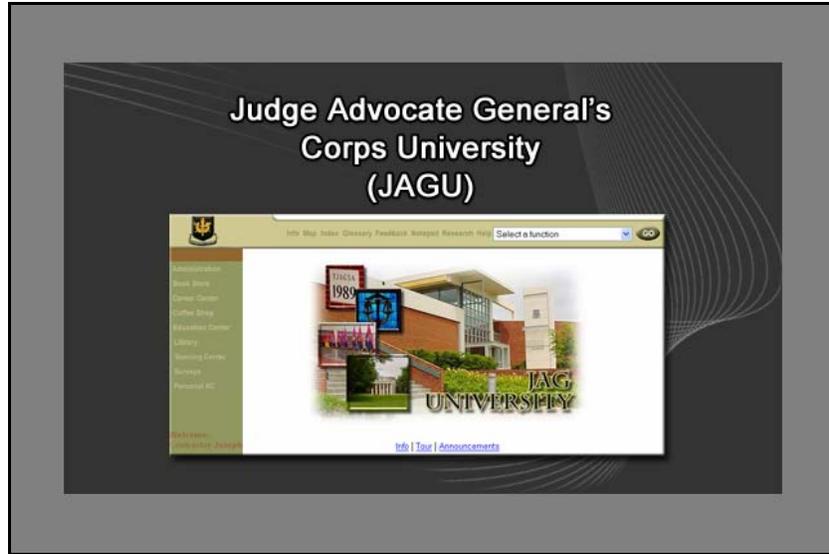

CLAMO is a resource organization for operational lawyers with the mission to examine legal issues that arise during all phases of military operations. CLAMO is also responsible for devising training and resource strategies for addressing those issues. CLAMO is the central repository within The Judge Advocate General's Corps for data, information, memoranda, after-action materials, and lessons learned pertaining to legal support to operations, foreign and domestic. CLAMO supports judge advocates by analyzing all data and information, developing lessons learned, and by disseminating these lessons and other operational information through publications, instruction, training, and databases accessible to operational forces worldwide.

The CLAMO homepage is readily available by clicking on the link listed under Frequently Used Areas. From the CLAMO homepage, you will only have access to public information located in the CLAMO Public Document Area. Only Registered Users have access to restricted areas such as After Action Reviews, Combat Training Center information, Operations Enduring Freedom, and Operation Iraqi Freedom.

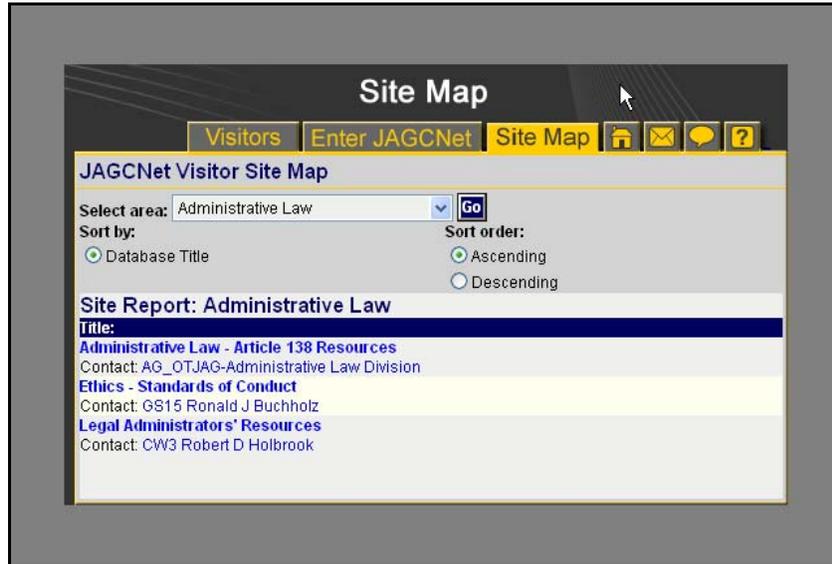

Judge Advocate General's Corps University (JAGU)

This will open a new window with on-line training for military and civilian JAG personnel. A JAGCNet account is required to proceed from the page. JAG University is a prototype U.S. Army distance learning site providing access to courseware, resources, and expertise from a soldier's immediate command and from personnel stationed around the globe. The JAGU Knowledge Centre™ was designed using the metaphor of a campus map, whereby virtual buildings link to online functions that mirror those you would normally find in a traditional educational setting. You can take a tour that provides a brief overview of JAG University, taking you from building to building and briefly describing the functionality contained inside. Only Registered Users have access to JAG University.

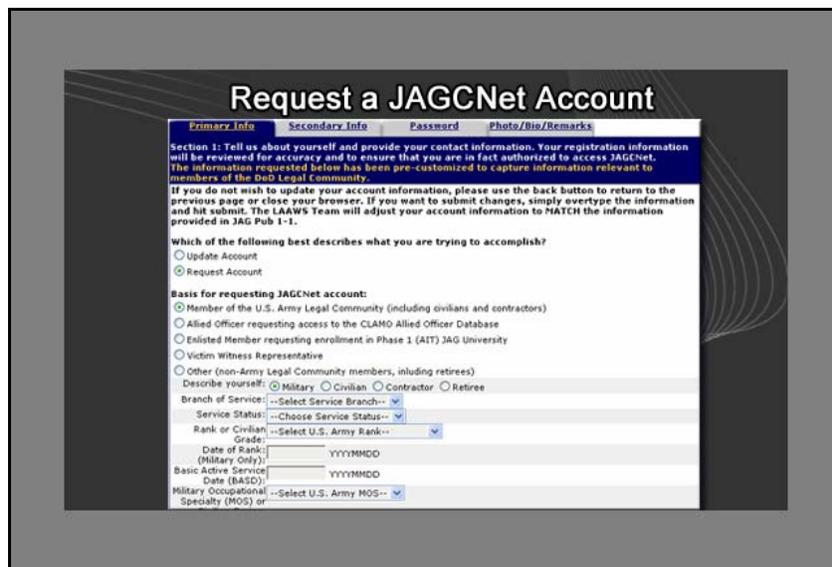

Site Map

This links to a sorting tool that allows you to display related documents, databases, and links. Simply select a general area of content and click "Go." The page will then display all of the content on the site that is related to your area of interest. You can select how the information will be sorted by using the radio button. Only Registered Users will have access to restricted areas of JAGCNet information. Some areas on the site map available to Registered Users are Claims, Forums, Operational and International Law, and Military Justice.

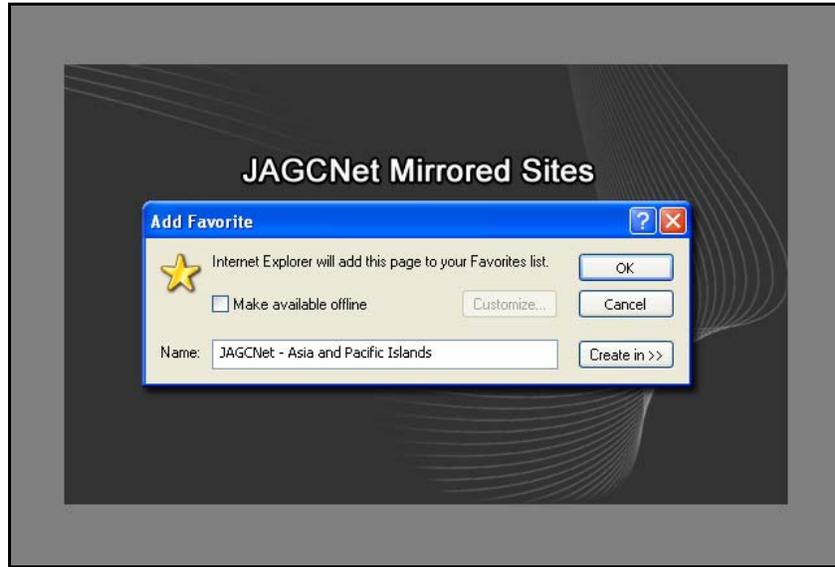

Request a JAGCNet Account

Some portions of JAGCNet are only available to Department of Defense (DoD) Legal Community members and their affiliates. To reach these areas you must request and be approved for access. This link will open a new window with an interface that allows you to request a JAGCNet user account.

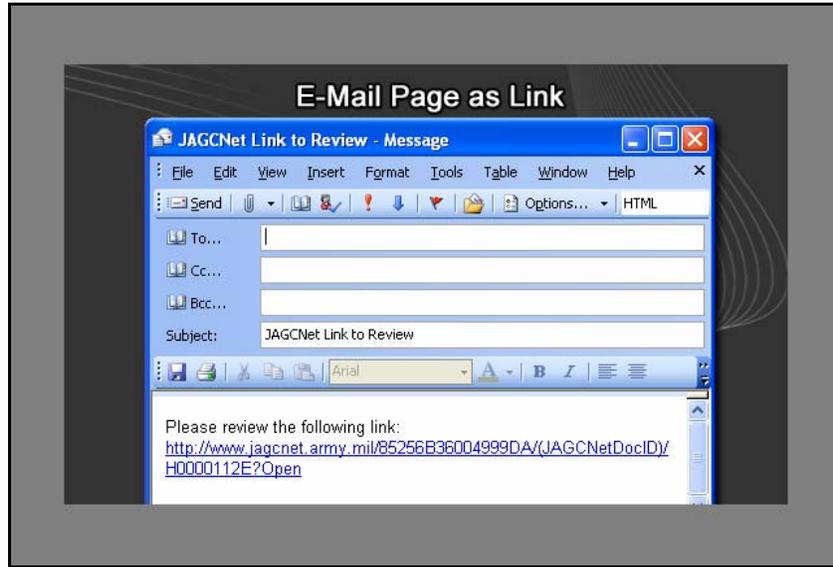

JAGCNet Mirrored Sites

JAGCNet is mirrored on several strategically-located servers. When you click on the link for the server closest to your location, you will be prompted to bookmark the site as your preferred portal. Choosing and using the server nearest to you will speed up your access to the site. Having JAGCNet mirrored sites bookmarked will also allow an easier way to obtain access to JAGCNet in the event a particular site is down.

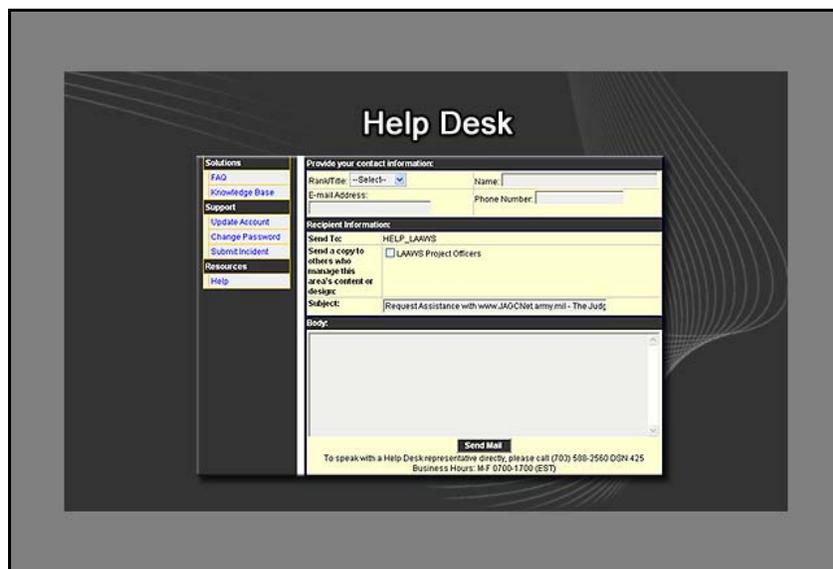

E-Mail Page as Link

Clicking on the envelope icon will create an e-mail message with a specific location on JAGCNet (such as a document or a forum post) included as a link. You can then enter a recipient and send the e-mail. This is a quick and easy way to point someone to a specific location on JAGCNet. The recipient of the e-mail must have access to the particular location on JAGCNet in order to view the link.

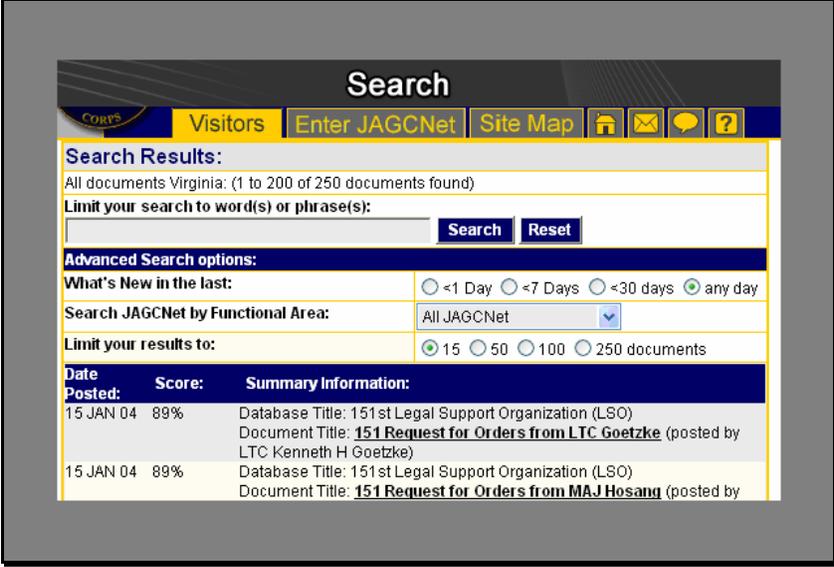

Help Desk

Click the question mark to open the help desk interface. You can use the help desk to ask for technical assistance on JAGCNet. Normal response time to a help desk request is no later than the next duty day. This feature cannot be used to request legal advice. You can also speak with a Help Desk representative directly, by calling (703) 588-2560 DSN 425 during the normal business hours of Monday through Friday from 0700-1700 (EST/DST).

Search

This functionality allows you to search through the entire site for keywords you enter. Searches query JAGCNet websites, documents, and file attachments. The search results are filtered according to your access. You can narrow your results by using the drop-down menu to restrict your search to functional areas on JAGCNet (i.e. forums, criminal law, etc.). You can also limit your search by the number of days the document has been posted and the amount of results returned. The Advanced Search feature allows you to search by restricting your search to the number of documents (15, 50, 100, or 250), the specific area to search, and the time frame in which it was posted (<1 Day, <7 Days, <30 Days, or any day). By entering a word or phrase, you will receive a list of documents with the post date, score, and summary information.

The screenshot displays the JAGCNet search interface. At the top, there is a navigation bar with 'CORPS' on the left and 'Visitors', 'Enter JAGCNet', 'Site Map', and several utility icons on the right. The main content area is titled 'Search Results:' and shows 'All documents Virginia: (1 to 200 of 250 documents found)'. Below this is a search input field with 'Search' and 'Reset' buttons. The 'Advanced Search options:' section includes radio buttons for 'What's New in the last:' with options '<1 Day', '<7 Days', '<30 days', and 'any day' (selected). There is also a dropdown for 'Search JAGCNet by Functional Area:' set to 'All JAGCNet' and radio buttons for 'Limit your results to:' with options '15', '50', '100', and '250 documents' (selected). The results are presented in a table with columns for 'Date Posted:', 'Score:', and 'Summary Information:'.
